### **Short thought**

Be ready! Our Gospel today has a real sense of urgency towards being prepared for when Jesus comes again and for us to be always ready to receive Him as we wait. Last week we saw how the man who stored up his grain was called a fool for trying to store up treasures here on earth, instead of storing up the only thing which is seen as treasure to the Lord – which is love. At the time of judgment all material things are worthless, only the stories written on our hearts are witness to our faithfulness to God's will. Jesus says those most precious words 'do not be afraid' He is with us completely in everything that we do, in all the good and bad, He is ever faithful to us and we are never to far lost to His love. Help us Lord to trust in your promise that you will come again and help us to be ready in our hearts. Amen.
